Just like their love for horses, equine enthusiasts have been handing down their trust and knowledge of the superior quality of Blue Seal® Horse Feeds from Generation to Generation.

Since 1868, Blue Seal Feeds has been providing horses with the advanced nutrition they need for maintaining their health and performance. With proactive innovations, such as the Vintage™ horse feed line, use of chelated trace minerals for improved absorption, fixed-formulation of all our horse feeds, Blue Seal has continually maintained its status as a leader in the Equine Feed Industry. All these improvements are to benefit your horse's health and performance.
